I am requesting to intervene in the application of this new proposed power plant to be built in my area. I and my community members will be affected by its negative environmental impacts when clean renewable energy production is viable and available.

I here by certify that a copy of the notice has been mailed to Northern Energy Project, Kevin Johnson, Vice President, 1735 Technology Dr. # 820 San Jose Calif. 95110

Respectfully submitted, Jack Ehrhardt, member, Citizens For Future Generations
